

GAFA UNILENTE DE SEGURIDAD "FARAONI"

- **Descripción:** Gafa unilente de seguridad "FARAONI"
- **Marca:** Creattor
- **Presentación comercial:** Par de gafas.
- **Fabricación:** Producto importado.

Descripción del producto

Gafa de seguridad elaborada en policarbonato 100%, protege contra los rayos ultravioleta, pose rejilla lateral de ventilación directa que ayuda a reducir el empañamiento. Se puede usar sola o sobre lentes de prescripción. Cumple con los estándares de normativa ANSI de alto impacto.

Características del producto

- Resistencia a impactos. Resistencia a salpicaduras de productos químicos.
- Filtro UV 99.9% .
- Diseño ergonómico en policarbonato oftálmico de alta transparencia.
- CERTIFICACIONES ANSI Z87.1 +Europa EN 166

Especificaciones del producto

- Visores en Policarbonato 100% con protección lateral.
- Protección lateral integrada.
- Patillas en Policarbonato 100% Rejilla de ventilación directa para circulación de aire dentro del lente.
- Mayor cobertura del rostro.
- Terminal de patillas perforada para cordón de seguridad.
- Pueden usarse solas o sobre gafas con prescripción.

Aplicaciones

Metalmecánica Farmacéutica, Aserraderos, Minería, Construcción, Forestal, Agricultura, Industria en general, Alimenticia, Química.

Condiciones de Almacenamiento

- Humedad relativa máxima: 70%
- Temperatura máxima: 32°C
- Almacenar en un lugar fresco y seco, evitando los rayos directos del sol.
- Inadecuadas condiciones de almacenamiento, carga y descarga brutal probablemente afectasen la calidad de los productos.

Disposición Final

- En caso de que el producto se encuentre contaminado con residuos, colóquelo en el respectivo contenedor según cual sea la sustancia o material.
- Los empaques contenedores deberán ser depositada en el contenedor correspondiente a residuos reciclables, en caso que esta se encuentre contaminada por alguna sustancia o material, deséchela en el mismo contenedor donde se depositen estas sustancias.

- b) The contents of this test report are confidential. Reproduction of the report is prohibited except in full, unless approved in writing by ICS Laboratories, Inc.
- c) Unless otherwise indicated, the test results contained in this report apply only to the samples tested and not to lots or batches from which they were taken.
- d) Where applicable, test data provided by subcontractor is uniquely identified in the test report.
- e) Where applicable, test data not covered under our ISO/IEC 17025 Accreditation is uniquely identified in the test report.

WARNING: This Test Report may contain technical data whose export is restricted by the Arms Export Control Act (Title 22, USC 17), the ITSA, or any U.S. export administration act of 1975, as amended. Title 22, USC 17, may apply and which may not be exported, released or disclosed to non-U.S. persons (i.e. persons who are not U.S. citizens or lawful permanent residents ("green-card" holders)) inside or outside the United States, without first obtaining an export license. Violation of these export laws are subject to arrest, civil, criminal and administrative penalties.

Objective:

Contract testing to ANSI/ISEA Z87.1-2013 "American National Standard for Occupational and Educational Personal Eye and Face Protection Devices".

Class(es): 6.2.3 High Velocity Impact

Samples:

CY2000 Spectacles

Lens	Quantity	Sample ID
Clear	12	SA

Date(s) submitted: 26 March 2018

Procedures:

Testing protocols in accord with good laboratory practice were employed for all tests.

All tests were conducted in a standard laboratory atmosphere unless otherwise specified.

Samples were randomly selected from the quantity provided and tested in the as-received condition unless otherwise stated.

Testing procedures as specified within Section 9 of ANSI/ISEA Z87.1-2013 were followed unless noted in results.

When applicable, samples were assessed on medium headform (64mm PD).

Assessment Summary:

Date(s) tested: 10 April 2018

TERMS AND CONDITIONS

- Client acknowledges that ICS Laboratories (ICS) performs testing services only as specified by Client. ICS does not design, construct, supervise or monitor compliance of products or services except as specifically agreed to in writing. By their very nature, testing, analysis, and other ICS services are limited in scope and subject to expected measurement variability.
- Client or Client's authorized representative shall be afforded the opportunity to clarify test requests and reasonable access to monitor test work, provisional to protecting the confidentiality of other clients.
- ICS shall keep documents and information related to Client confidential and will not disclose any such information to third parties without Client permission. ICS will, however, disclose any such information in response to cooperation/legal process after providing Client with a copy of such process.
- ICS Reports apply only to the standards or procedures identified therein and to the sample(s) tested and no inspection(s) made. Test and/or inspection results are not indicative or representative of the quality of the lot from which the sample was taken or of apparently identical or similar products.
- ICS Test Reports and their insights are for the exclusive use of the Client. Reports, in their entirety, may be utilized at the discretion of Client and/or their authorized agents for purposes including, but not limited to, research & development, re-engineering, product packaging, educational and promotional materials in various formats, verification, and compliance. As an accredited independent testing laboratory, ICS maintains no interest in preventing the misrepresentation of the contents of its test reports. As such, Client may NOT use, reproduce or otherwise disseminate excepted, partial, redacted or otherwise altered ICS test reports without the prior written consent of ICS and the granting of its written approval. Further, Client is prohibited from manipulating data and/or extrapolating from its statistics or conclusions that contradict or violate the essential results of testing as reflected by the results of the report. Client is to refrain from utilizing ICS Test Reports and/or the ICS logo in a manner that suggests any extra-report conclusions are provided and/or endorsed by ICS Laboratories.
- Any use by Client of ICS's Reports or the information contained therein is conditioned on timely payment of all fees.
- The name(s) listed as the "Issued to" party on test reports may not reflect the actual entity requesting and/or contracting the measurement.
- ICS shall retain copies of testing info files (including reports) for a period of at least six (6) years and where applicable, voluntary test samples for the length of time as deemed appropriate after which time they may be disposed of at management's discretion. If Client requests additional copies of Reports during this period, an additional charge will apply for the preparation and delivery of such reports.
- Test reports are valid for verification purposes for one year from date of issue, inclusive of intent or variant additions which must be performed within one year of date of issue to avoid full rates.
- Client is responsible for protecting, at its cost, information protecting the value of its property and samples.
- For the safety of our personnel, Client must advise if samples are known or suspected to contain hazardous substances. Safety Data Sheets must be provided upon request if available.
- ICS guarantees that Services shall be performed within the limits agreed with Client, and as a matter of course with good laboratory practice. NO OTHER REPRESENTATIONS TO CLIENT, EXPRESS OR IMPLIED, AND NO WARRANTY OR GUARANTEE IS INCLUDED OR INTENDED IN THIS AGREEMENT, OR IN ANY OTHER REPORT, OFFER OR DOCUMENT RELATED TO THE SERVICES. ICS DOES NOT GUARANTEE PRODUCT COMPLIANCE OR CERTIFICATION.
- ICS hereby objects to any conflicting terms contained in any order or acceptance submitted by Client.
- Schedules are confirmed upon acceptance of quotation. All reasonable efforts will be made to comply with confirmed schedule. Guarantees are neither implied nor promised.
- Certain work may be subcontracted to ICS authorized affiliate laboratories as required or applicable. Client will be made aware of subcontracted work.
- Client agrees to pay any and all additional costs associated with unexpected or above standard communications and/or consultations with Client or third parties as designated by Client.
- Client agrees to pay any and all additional costs for work additional to the original scope of work as agreed to by Client.
- Client understands and agrees that ICS, in entering into this Contract and by performing services hereunder, does not assume, change, discharge or undertake to discharge any duty or responsibility of Client to any other party or parties. No one other than Client shall have any right to rely on any Report or other representation of conduct of ICS and ICS disclaims any obligations of any nature whatsoever with respect to such parties.
- Client agrees, in consideration of ICS undertaking to perform the tests hereunder, to protect, defend and indemnify ICS from any and all claims, damages, expenses (other than direct or consequential) for injuries to persons or property arising out of or as consequence of the performance of the testing, inspection and reporting hereunder and/or the performance of the products tested or inspected hereunder, UNLESS CAUSED BY THE NEGLIGENCE OF ICS.
- IT IS AGREED THAT IF ICS SHOULD BE FOUND LIABLE FOR ANY LOSSES OR DAMAGES ATTRIBUTABLE TO THE SERVICES HEREUNDER IN ANY RESPECT, ITS LIABILITY SHALL IN NO EVENT EXCEED THE AMOUNT OF THE FEE PAID BY CLIENT FOR SUCH SERVICES AND CLIENT'S SOLE REMEDY AT LAW OR IN EQUITY SHALL BE THE RIGHT TO RECOVER UP TO SUCH AMOUNT.
- Quotations are valid for 15 days from date of issue. Terms: 10% Laboratory/Testing fees advanced and payable upon acceptance of quotation. Remaining fees advanced and payable upon completion of services, 15 days net. Cancelled jobs will be invoiced for work performed and/or set-up costs incurred. Cancelled Purchase Orders are subject to 10% service charge. Shipping costs incurred by ICS will be invoiced at cost +10% handling fee. A minimum USD 125.00 handling fee will be also incurred. For shipping work incurred by Client, ICS will invoice a minimum USD 125.00 handling fee.
- In the event that payment is not received within 15 days of invoice date, Client agrees to pay a late payment charge on the unpaid balance equal to 1-1.5% per month or the maximum charge allowed by law, whichever is less, and all costs and expenses, including attorney's fees, whose recovery of the same is not prohibited by law, incurred by ICS in collecting such amounts.
- All costs associated with compliance with any subpoena(s) for documents, testimony in a court of law, or for any other purpose relating to work performed by ICS in connection with work performed for the Client, shall be paid by Client. Client shall also pay ICS's then-current standard fee for consulting, deposition and trial testimony and all expenses related thereto.
- Cancelled/incomplete orders: Client responsible for all administrative and testing charges up to point of cancellation.
